

Grade Two

GEORGIA, MY STATE

In second grade, the various social studies strands become more woven around the historical strand. The history strand focuses on important historical figures in Georgia and the Creek and Cherokee cultures in Georgia. The geography strand emphasizes the geography of Georgia and relates that to the historical study. In addition to the positive character traits of the individuals and groups in the historical strand, the basic concept of government is also introduced. Basic economics concepts continue to be introduced and are related to the historical strand.
